

Coronavirus/Covid 19 - Message from the Parish Council

Duncton Parish Council would like to reassure residents that they are in direct contact with both the Chichester District Council and West Sussex County Council and other bodies to make sure that we are able to keep the residents of our Parish as safe as possible.

If anyone has any concerns about how they or a neighbour or relative is going to be able cope with the restrictions to our day to day lives that the Government may ask us to make, whether this is financially, or practically with things like food deliveries or practical help, please can they contact: **Duncton Care: Sue Thomas 07596969071 or Geoffrey Patti 07801712142** and they shall either provide immediate practical help or put you in touch with an agency who may be able to assist.

Also please be aware that we have been advised that there are fraudsters operating in our area who pretend to help with shopping but then end up stealing people's money and credit cards so please make sure you only take help from someone you know and trust.

Any worries, please contact us.

Here are some useful links that are being updated regularly

Chichester District Council Advice and guidance - A new page has been created on their website

www.chichester.gov.uk/coronavirus

with links to key Public Health England and Government advice. Government advice is constantly being updated and so CDC advise you to keep referring to these sources. The CDC website will update residents and businesses on any disruption to our services and signpost people to key information and advice.

West Sussex County Council Advice and guidance - A new page has been created on their website
